# Thanks

for helping provide our youth with  
quality Christian education.

There is a significant gap between the amount of money that Heritage Christian School receives per student and the actual cost to educate him or her. The shortfall amounts to approximately \$3,500 per student per year. This event is a fundraiser to help Heritage Christian fill that gap and allow us to continue to make our education affordable for all families. By partnering in this event, you are helping us to reach our goal of raising \$35,000.

The Board and staff of Heritage Christian School thank you for your participation in this event. Your support will help Heritage Christian School influence area youth for Christ.

If you are interested in other ways to support Heritage Christian, call Director of Development, Todd Bentzel at 330-452-8271, Ext. 318.
