**Winter Wear**—During cold weather months students may wear the following items in the classroom over uniform shirts: sweaters (v-neck, crew-neck, or cardigan styles), light fleece jackets, or hoodies. Acceptable colors are solid red, black or white. No patterns or designs permitted with the exception of a brand logo that is no larger than baseball-size. These items may be purchased at a retailer of your choice. Long sleeved solid white, red or black T-shirts may be worn under polos. Jackets and winter coats are NOT to be worn in the classroom.

**Jewelry**—Piercings are limited to ears only. Only female students are permitted to wear earrings.

**Tattoos**—No inappropriate tattoos. If tattoos are deemed inappropriate for content or art the student will be asked to keep them covered at all times.

**Hair**—Hair must be neat and clean. No extreme or unnatural hair coloring. (Extreme is defined as a color that does not naturally occur.) No extreme styles that could be a distraction to the school day. Male's hair should be off the collar. Hair must be out of the eyes for safety purposes, so as not to obstruct student vision. Hats are to be removed when entering the building.

No dress code list is exhaustive. The general rule is modesty and good discretion. If you are uncertain about any item, bring it to the school for clarification before wearing it. School administration has the authority to decide what is and is not appropriate. Guidelines may be adapted as the need arises. This modesty and discretion rule applies to all school events, inside and outside of the school, including sporting events. It would also include any fundraisers where students are participating in the community.
