HERITAGE CHRISTIAN SCHOOL

CONSTITUTION AND BY-LAWS

INDEX

INTRODUCTION

Heritage Christian School is a school that serves people who love Jesus Christ as Lord. We believe in the death, burial and resurrection of Christ for our salvation by grace alone through faith. It is expected that students attending Heritage will learn to live a Christian life with observable Christian characteristics. Heritage Christian School is nondenominational. No distinctive doctrine of any individual church or denomination is taught; however, many theological points of view are discussed as an integral part of the educational process. The primary focus of Heritage Christian School is that all courses are taught from a Christ-centered perspective rather than a humanistic man-centered view. As such, Scripture is the final authority in all that is taught. Students are given the opportunity to accept Jesus as their personal Savior during the school year. Personal commitment to Jesus Christ is encouraged because we believe that it is a spiritual need in every student's life.

CHARTER STATUS

Heritage Christian School is an independent, nondenominational, nonpublic, Christian school directed by a Board of Education elected by the membership of the Association. The school is chartered and accredited by the State of Ohio Department of Education for kindergarten through grade twelve and is a member of the Association of Christian Schools International (ACSI). All teachers are certified by the State of Ohio.

DAILY SCHEDULE & ATTENDANCE INFORMATION

ADMISSIONS:

Heritage Christian School recruits and admits students of any race, color, or ethnic origin to all the rights, privileges, programs, and activities. In addition, the school will not discriminate on the basis of race, color, or ethnic origin in administration of its educational policies, scholarships/loans/fee waivers/educational programs, and athletics/extracurricular activities. In addition, the school is not intended to be an alternative to a court or an administrative agency order.

The intent of Heritage Christian School is to provide the best training that can be given through classroom instruction. In keeping with this intention, the following admission guidelines have been adopted:

- Readiness is the main criteria for admission to any grade. General achievement should not be more than three months below grade placement. Any exceptions may be considered for probationary status.
- Age: Kindergarten children must be five years old by September 30. (Exceptions may be granted with proper documentation.)
- Older students who have developed contempt for the Christian way of life or who express unwillingness to be in a Christian school should not be admitted. It is desired that students in the secondary school attend by their own volition and choice.
- Court cases should be given the test of time to prove the sincerity and depth of their reformation before being admitted.
- Emotionally disturbed children, students with special needs, or those who are physically disabled should not be admitted if, in the judgment of the principal, the school lacks sufficient programs to meet the child's needs.
- Parents of enrollees must sign the Parents' Pledge of Acceptance.

*Secondary students (6-12th grades) must be present at least four full periods to be considered present for a half day; students must be present at least seven full periods to be considered present for a full day. The lunch period does not count toward the number of periods required for attendance.

For attendance requirements for participation in athletic practices and contests, see the athletic handbook.

STUDENT ARRIVAL/DEPARTURE:

All students being dropped off must enter the building at the Greenfield Entrance. Students arriving by bus will enter the 6th Street Entrance. If parents require entry to the building, you must present a drivers’ license, or other photo ID AND sign in at the Security Booth. Upon exiting and signing out of the building your ID will be returned. Breakfast is from 7:45-8:00.

Any 6-12th grade student arriving before 7:30 a.m. must be pre-approved through the Main Office. Students arriving any time before 7:30 must report directly to the auditorium. Students are not permitted to go to their lockers before the 7:45 bell.

After 3:30, no 6-12th grade students are to be on the 2nd or 3rd floors without authorization from the Secondary Office. Any secondary student who is to supervise their elementary sibling(s) after school must have a signed After School Release form on file in the office. No secondary students are to be on school grounds after 3:45 p.m. unless actively involved in an extra-curricular activity or The After School Program due to safety and liability reasons.

Parents are to drop off or pick up students at the Greenfield entrance only. “NO PARKING” SIGNS are posted by the city of Canton on 6th Street and Harrison Avenue. This is a BUS ZONE and must not be blocked by vehicles between the hours of 7:30 a.m. and 4 p.m. weekdays. Do not use this area to drop off or pick up students.

Any cars parked or “waiting” on Greenfield must be parked diagonally facing the park OR be moving through the pick- up lane on the right side of Greenfield (sidewalk side). Parents are asked to be prompt in picking up their children and to exit promptly to free up the parking spaces. Students are not permitted to cross the street to the park or to play on the sidewalks. (During inclement weather, they will wait in the Auditorium.)

DISMISSAL DURING THE SCHOOL DAY:

When it becomes necessary for the parent to take a student out of class for doctor appointments or other reasons during the school day, release of the student must be made through the office. A written request, email or phone call from the student's parent or guardian is required. In the event that a student must be picked up without prior warning, please expect and plan for extended waiting times to release the student.

- Early dismissal notes must include the **reason for leaving**. Secondary students will be provided with a pass from the secondary office designating the appropriate dismissal time. Students are **required** to always "sign out" in the secondary office before leaving school prior to the end of the regular school day.
- The school will not release a student without a legitimate reason given. (Pre-approved reasons: PSEO classes or pre-approved jobs for Seniors)

Students will not be permitted to use school phones to arrange for early dismissals except in case of illness during the school day, school initiated schedule changes, emergencies, or extreme weather conditions. If returning to school the same day, students must sign back in using the office record book in the Principal's Office.

LATE PICK UP:

If any parent is late picking up a student (more than 15 min.) from any after school event, your account will be charged \$7.00 for every 5 minutes late.

TRANSPORTATION:

Canton City, Canton Local (Canton South area), Jackson, Louisville, North Canton, Perry, and Plain Local school districts provide free bus transportation for our students. Other school districts within a thirty-minute driving time to Heritage will reimburse parents a small portion of their expenses for student transportation. It is the responsibility of the parents to contact their school district regarding transportation and/or reimbursement including obtaining all necessary forms.

EMERGENCY CLOSING:

School closings because of severe weather, treacherous roads, and/or building problems will be announced over local television and radio stations. Closing information will also be posted on our school Facebook page, the Repository (www.cantonrep.com), and other media websites where school closings are provided by iAlert.

Also, Heritage is NOT listed as part of Canton City Schools. If the public schools are closed, and Heritage is open, the public schools WILL NOT BUS students to school, and parents will have to arrange transportation.

ATTENDANCE POLICY:

Parents are to call the school office whenever it becomes necessary for their student(s) to be absent from school. **All calls should be made by 9:00 a.m. to 330-452-8271, Option 1.** Students who have been absent are required to bring a signed written excuse the following day to the Main Office.

TARDINESS AND TRUANCY:

Tardiness is any student arrival after the tardy bell (8:00 a.m.) or student late to a class. Students are considered tardy if they are not in their assigned seat when the bell rings. Truancy is any unauthorized absence from school.

Students who arrive after the tardy bell (8:00 a.m.) **must** report to the school office before going to class. The office will classify all tardiness as either excused or un-excused. Disciplinary measures for unexcused tardiness to school for grades 6-12:

Disciplinary action will be taken as a result of an unacceptable number of unexcused tardies to school (1st period).

* Totals are cumulative for one quarter. All students will begin with a "clean slate" with each new grading period. If a student exceeds 3 tardies to school in one quarter, he or she may be subject to suspension at the discretion of the Administration.

Tardiness to class:

A student late to a class (other than 1st period) should obtain a pass from the teacher who held them over. Only those students with a pass from the HCS staff member who detained them will be counted as excused. All other tardiness will be counted as unexcused.

EXCUSED AND UNEXCUSED ABSENCES:

At Heritage Christian School, regular attendance is important. Problems in the areas of attendance and tardiness can lead to difficulties academically and also within a classroom's daily structure. Therefore, we see regular attendance as a positive factor that develops habits of punctuality, self-discipline, and responsibility. Pupils who attend class regularly generally achieve higher grades and enjoy school more. Even though a student may make up the actual work missed because of absences, he or she may never be able to replace the social, educational, spiritual, and cultural contact, which are received only through actual classroom attendance and participation.

ABSENCE LIMITS:

Absences: All excused and unexcused absences as well as suspensions will count toward the twelve absences per class, per semester that are allowed. Any absence in excess of twelve misses of a single class will require documentation by someone other than a parent or guardian (i.e., doctor, dentist, chiropractor).

Credit may be withdrawn for a course in which the student exceeds twelve days absent in one semester. Any unexcused absence that follows the twelve absences allowed will result in a zero for any assignments, quizzes, or tests taken that day. Any student that has excessive absences without a legitimate excuse may be considered truant and may have their driver's license revoked by the Bureau of Motor Vehicles in accordance with the Ohio Revised Code. **Excessive absences may jeopardize continued enrollment at Heritage Christian School.** At 7 absences and 10 absences a letter will be sent home informing parents of the potential absentee problem.

- Examples of "Excused" Absences: Illness, doctor's appointment, quarantine of home, death in family, family travel (approved in advance by administration), educational field trips/college visitation (approved in advance by administration), any absence deemed "Excused" by the Administration

- Examples of “Unexcused” Absences: Out of school suspension or expulsion, skipping of classes, any absence without written reason from parents, any absence deemed “Not necessary by the Administration”
- Planned absences are counted against the twelve days absent.
- See note in “Missed Work” regarding approval of planned absences.
- Unexcused Absence or Out-of-School Suspension: A zero will be given for all work done during the period of an unexcused absence or out-of-school suspension. This includes tests, quizzes, homework, or any other grades given during this time period.
- Three unexcused tardies to class will also result in being charged an absence from the class and possible loss of credit.

MISSED WORK:

All work must be made up for periods of planned or unplanned absence from regular classes. The amount of time allowed for make-up from an unplanned absence is generally equal to the number of days the student was absent (i.e., 2 days absent = 2 days to make up the work).

Planned absences (short trips, family vacations, college visitations, etc.) must be pre-approved at least two weeks in advance through the Principal’s Office. Students must fill out a Planned Absence Form and have it signed by each teacher before the absence is considered approved. It is the student’s responsibility to collect all work that he or she will miss while away. ALL work is due when the student returns to school. All class work must be made up for all excused and unexcused absences from regular classes; however, credit will not be given for unexcused absences.

WORK RELEASE:

Seniors may be released from school in order to work if they are scheduled for a study hall in the last period of the day. The early release provision will require the written consent of parents, verification of employment, the recommendation of the guidance coordinator, and the filing of a work permit. Plans for early release should be reviewed with the guidance coordinator at the beginning of the semester. This privilege may be revoked if grades or attendance are not maintained or if the student becomes unemployed. Exceptions to this policy will be granted only upon the approval of the principal.

CHAPEL AND ASSEMBLIES:

Weekly chapels are provided for all students. This is a special time for encouragement, worship, and praise. Students participate and are actively involved in these weekly chapel services.

ACADEMICS

GRADING SCALE:

Grades 1-12 are assigned using the following scale:

Numeric Grade Range:	Equivalent Letter Grade:	Earned Grade Points (for GPA)*
100-99	A+	4
98-95	A	4
94-92	A-	4
91-90	B+	3
89-86	B	3
85-83	B-	3
82-81	C+	2
80-77	C	2
76-74	C-	2
73-72	D+	1
71-68	D	1
67-65	D-	1
64 - 0	F	0

*High school students only.

EXAMS (SEMESTER AND FINAL EXAMS):

All teachers in grades 6-12 will give semester exams. Exams for students in grades 6-8 will count as part of the current 9-week grading period. Exams for students in grades 9-12 will not count as part of the current 9-week grade, but will constitute 20% of the student's semester average grade.

RENWEB/GRADE REPORTS:

RenWeb is the online grading tool that is used in K-12th grades for record keeping and reporting. Parents will be given online access codes at the beginning of each school year that allow them to check their student's grades online at any time.

There will be a mid-term grade check (as noted on the master calendar) each quarter at which point parents should check all current grades and address concerns as needed. Printed report cards are issued at the completion of each nine weeks. **Final report cards will be mailed to parents.**

Report cards will not be released to families until any outstanding fees, including tuition, are paid.

MIDDLE SCHOOL RETENTION:

Middle school students who fail two major classes (Reading, Math, Language, Social Studies, Science) or a major and a minor class (Bible and electives) in a school year may be retained in that grade for the following school year. To pass a class, the student must have an overall passing grade for the school year (all four quarters combined) AND pass the fourth quarter.

HIGH SCHOOL RETENTION:

High school students who fail a class that is required for graduation must retake and pass the same semester of that class before being eligible to graduate. (Each quarter counts as 40% of the semester

grade, and the semester exam counts as 20%). It is not always possible to make up a class during the next school year because of scheduling conflicts; therefore, it is important that families schedule summer school courses through the principal. Bible classes must be made up during the summer. Families are responsible for all costs associated with credit recovery, including Bible.

REPEATING A CLASS:

Any class repeated due to failing will be given credit only once. The grade received on the second attempt will be the grade reported on the transcript. Students may retake a class at Heritage if the schedule permits. Otherwise missing credits must be made up during summer school.

PARENT-TEACHER CONFERENCES:

Parent/Teacher Conferences are scheduled after the end of the first grading period. Parent-Teacher Conferences are necessary for all students for a successful school year. Parents who have a concern at any time during the year are encouraged to make an appointment with the teacher. Conferences must be scheduled in advance. Impromptu visits disrupt classroom time and negatively impact student learning.

TUTORING:

Peer tutoring is available during some periods of the school day. If a teacher determines a student is in need of tutoring, he or she may refer the student to the office for arrangements. The office will attempt to pair the student up with a capable student tutor who is available during a matching study hall time and both open and able to sacrifice his or her own study time. Matches will be made when possible, but a match might not always be found due to tight scheduling and other academic demands. Ultimately it is up to a student's family to help a student find any help necessary to meet the rigorous academic requirements at Heritage.

HONOR ROLL REQUIREMENTS:

Honor Rolls for both middle school and high school will be published at the end of each nine-week grading period. Students receiving a GPA of 3.70 - 4.0 will be on the High Honor Roll. Those students receiving a GPA of 3.30 - 3.69 will be on the Honor Roll. Students who have a grade lower than a "C" or an "incomplete" in any class will not qualify for either honor roll.

GUIDANCE SERVICES:

The guidance program at Heritage Christian School relates to the academic, spiritual, interpersonal and career-planning needs of our students. Guidance services are managed through the principal office.

College and career counseling is implemented as students are assisted with course selection and planning a four-year program of study for their high school course work. The school leadership, in cooperation with the Principal, will work with students and parents in the areas of academic, vocational, personal, and spiritual counseling.

SCHEDULE CHANGES:

Students will have two weeks at the beginning of each semester to change an elective course in their schedules. All changes must be made through the Principal's office and have written authorization from a parent. Students may not withdraw from a course after the first two weeks of the semester without

receiving a grade of “NC” (No Credit) for the semester. This will be averaged into the cumulative grade point average as an “F”.

COLLEGE CREDIT PLUS:

This option is a privilege designed for full-time **Senior** students who wish to take college courses during their senior year, without compromise to their Heritage schedule. This individualized program partners with qualifying colleges and universities to offer students credit for elective courses. The deadline for enrollment is **March 31**, following a meeting and recommendation from the Guidance Department and Principal. All paperwork must be completed prior to this date in order to be eligible. CCP enrollment dates may vary by college or university. CCP grades will be factored into the student’s GPA.

ACHIEVEMENT TESTING:

Next Generation Testing: Beginning with the 2014-2015 school year, the State of Ohio is implemented the new *Next Generation Testing* for grades 3-8. This online testing system replaces the former OAA testing required by the state of Ohio.

Ohio Graduation Test (OGT):

In the Spring of the 2014-2015 school year, sophomore students will take the Ohio Graduation Tests (OGTs). Students who do not pass one or more sections on their first attempt will retake the tests they need during the summer, fall & spring of their Junior and Senior years. The 2014-2015 school year is the last year the OGTs will be administered to sophomores.

End-of-Course Exams: *Updated 4/2013*

In place of the OGTs, the State of Ohio is adopting end-of-course examinations for high school students beginning in the 2015-2016 school year. Students will have to pass a certain number of exams before graduating; the number has not yet been determined by the Ohio Department of Education. The following statement is from the ODE:

“The state superintendent and the chancellor, in consultation with faculty in the appropriate subject areas at institutions of higher education of the university system of Ohio, will jointly select a series of end-of-course examinations in the areas of science, mathematics, English language arts, American history, and American government.

“For each subject area, the state superintendent and chancellor shall select multiple assessments that school districts, public schools, and chartered nonpublic schools may use as end-of-course examinations: Physical Science, Biology, Algebra I and II and Geometry (or integrated Mathematics 1, 2 and 3), English language arts 1, 2 and 3, American history, and American government.

“Subject to Ohio Revised Code 3301.0712 (B)(3)(b), those assessments shall include nationally recognized subject area assessments, such as advanced placement examinations, SAT subject tests, international baccalaureate examinations, and other assessments of college- and work-readiness.”

Refer to the ODE website for the most current updates: <http://www.ode.state.oh.us>

Students who complete summer coursework at another institution can receive only one credit per summer toward graduation with a maximum of three summer school credits counting toward high school graduation requirements. The guidance coordinator must approve classes taken for make-up requirements

due to failure and enrichment courses that Heritage Christian School does not offer. Prerequisites may not be taken in summer school. Any exceptions must be submitted in writing to the Principal and Guidance Coordinator for approval.

HONORS DIPLOMA REQUIREMENTS:

The State Board of Education will recognize and issue an Honors Diploma to any student who accomplishes the following: graduates within his or her class, successfully completes the high school curriculum, demonstrates basic competency on the Ohio Graduation Test (OGT) or future end-of-course examinations, and completes at least 7 of the 8 criteria for honors from the following list:

COURSE PREREQUISITES & REQUIREMENTS:

English

- CCP acceptance is at the discretion of the college or university.

Foreign Languages

- A student must maintain a “C” average to progress into each new level. If a student does not have a “C” average, progress to the next level is left to the discretion of the teacher.
- It is recommended that students planning to continue in a foreign language in college should take that language in their senior year.

Mathematics

- In middle school, the decision for advanced placement is based on a teacher recommendation and the result of the Algebra Prognosis Test.
- Algebra I prerequisite: Completion of Math 8, a score of at least 86% on the Algebra Prognosis Test, or a “C” average in Transitional Algebra with a teacher’s recommendation.
- Algebra II prerequisite: It is recommended that students have a passing grade in geometry AND a “C” average in Algebra I in order to move into Algebra II. A make up recovery credit will be accepted if a student wishes to improve their Algebra I grade.
- Trig/Pre-calculus prerequisite: a “C” average in Algebra II and teacher approval.
- Calculus prerequisite: A “B” average in Pre-calculus and teacher approval.

Science - Science is taught from a Biblical creation model.

- A student must have a “B” in Algebra I and take Algebra II concurrently to take Chemistry.
- A student must have a “B” in Biology and the teacher’s approval to take Anatomy and Physiology.
- A student must have a “B” in Algebra II to take Physics.
- A student may be placed into a class without the above grades if that student receives a recommendation from both the science and math teachers.

Band & Choir

- Being present and participating in all scheduled concerts, whether after school or on weekends, is part of the student grade. Anyone missing an event will be required to do an alternative assessment, or a lower grade may be given.

CUMULATIVE GPA, CLASS RANK, VALEDICTORIAN & SALUTATORIAN:

A student’s class rank and cumulative GPA will be computed using all grades earned from every subject taken, including Bible grades. Class valedictorians and salutatorians are chosen based on rank in class, cumulative GPA, and standardized test scores through the third nine weeks of the 12th grade. The minimum cumulative GPA requirement for Valedictorian is 3.85. The minimum cumulative GPA requirement for Salutatorian is 3.75. The Administration will also evaluate character, integrity, and behavior (i.e. suspension, breach of Student Code of Conduct, etc.) in determining the final selection of valedictorian and salutatorian. A final cumulative GPA and class ranking is done at the end of the fourth nine weeks of the 12th grade year for final transcripts. A student must attend HCS for his or her entire Junior and Senior year to be considered for class valedictorian or salutatorian. All senior students will be ranked with their graduating class.

BEHAVIOR & DISCIPLINE

BEHAVIOR EXPECTATIONS AND DISCIPLINE PROCEDURES:

Enrollment at Heritage Christian School is a privilege; therefore, certain disciplinary measures are necessary for the welfare of each student. Teachers and staff are responsible for enforcing school and classroom regulations in a manner consistent with Christian principles.

It’s our belief that in our classrooms, no student has the right to interrupt the learning process. Proper discipline develops self-control, character, orderliness, and efficiency. It is the key to good conduct and proper consideration for other people. The basic school rules are listed below:

- Follow directions the first time they are given.
- Keep hands, feet, and objects to yourself.
- Keep the building clean. Do not litter or abuse school property.
- Talk quietly.
- No running in the halls.
- No name-calling, teasing, or bullying.
- No cell phone use permitted during school hours without consent from a staff member.

CLASSROOM PROCEDURES (Grades 6 - 12):

Guidelines are available in the Principal's Office.

DISCIPLINARY PROCEDURES:

The first concern of discipline is to aid the student in correcting undesirable behavior. The individual teacher and the principal will handle minor offenses.

CONDUCT CODE:

In order to develop and maintain a distinctive Christian atmosphere and quality educational program, Heritage has established the following personal conduct code for all students who enroll and attend Heritage Christian School. It is required that all students in grades 5-12 sign and abide by these conduct requirements as outlined in our student conduct code.

Students that are in violation of the student conduct code may be disciplined as follows:

First offense: Suspension or expulsion

Second offense: Expulsion from the school.

The student will not be readmitted until it can be proven that he or she desires to follow all of the standards of Heritage Christian School.

As a Christian school, we do not tolerate immoral acts or the use of alcohol or illegal drugs by students. In the event of suspicious behavior, we may give a drug/alcohol test. Parents will be notified prior to testing. Suspicious behavior qualifies as:

- A change in personality, grades, or attendance
- Physical signs of intoxication (i.e., slurred speech, dilated pupils, etc.)
- Attendance at events where drugs are common
- Reports by other students or adults of a student's use
- Reports that a student is bragging of drug use
- The student smelling of drugs or drug smoke.

Students testing positive will pay for the test and administration; students testing negative will incur no cost. Refusal to be tested could result in expulsion.

DISCIPLINE POLICY (Grades 6-12): Updated 2015

Your behavior is a reflection of you. To show respect for your teacher and others in authority over you is showing respect for God. (Romans 13:7) School-wide and classroom discipline is necessary to ensure your safety and the best possible learning environment. You are, at all times, responsible for your own behavior.

Possible forms of discipline may include any of the following:

- Recess Detention
- After School Detention
- In School Suspension (ISS)
- Out of School Suspension (OSS)
- IMPACT Room (ISS and recess detention)
- Expulsion

Minor Offenses:

The following types of behaviors may result in a warning or recess detention:

- Not following directions
 - Unauthorized talking
 - Inappropriate laughing
 - Nuisance items/toys
 - Hallway violations (running, not in line, talking, etc.)

STUDENT GROUPS & EXTRACURRICULAR ACTIVITIES

ELIGIBILITY FOR EXTRACURRICULAR ACTIVITIES (Grades 6-12):

Extracurricular activities are defined as activities that are not academic or in direct connection with a class for credit such as athletics, plays, clubs, student government, etc. To participate in all activities, students must be in attendance that school day for at least half of the day as stated in the Athletic Handbook. PSEO students must be in attendance in their classes at Heritage for at least half of the day to be eligible for participation.

Academic Probation Policy

A student-participant must be passing five major core classes in order to remain eligible. (Core is defined as Math, Science, Social Studies, and English Language Arts). Grades are checked at each midterm and at the close of each nine-week quarter.

The student-participant will be issued a “probation status” form that must be signed by a parent. If possible, an email will also be sent home notifying the parent(s) of their child’s status. The coach or activity supervisor will also be notified at that time of the student’s status.

Probation Process:

- 1 Once a student-participant has been placed on probation, he or she must meet with the teacher(s) of the class(es) that have led to the probation each school day for two weeks (ten school days). It is the responsibility of the student to contact the teacher(s) each day. The student will have a daily tracking form which the teacher(s) must initial each day to verify that the student is working toward raising his or her grade in the corresponding class(es).
- 2 During probation, the student-participant must sit out of all team or activity participation for one week (five school days). This includes practices, games, meeting, etc. The student is also not permitted at other after-school events during this time unless cleared by administration in advance. The focus of the student-participant for these five school days is to be focused on academics.
- 3 If progress is evident after five school days, the student-participant may resume participation in practices and games but will continue to meet with teacher(s) for an additional five days. The student will continue having the teacher(s) initial the tracking form to verify progress in the class(es) that led to the probation. After the final five days, if progress continues to be evident, the student-participant will be cleared from probation status.

Termination

If a student-participant receives two or more Fs on a report card, he or she must sit out the season and/or extra- curricular activity. If necessary, Administration reserves the right to re-evaluate this policy on an individual and circumstantial basis.

STUDENT COUNCIL:

Middle School and High School Student Council provides for student activities, serves as a training experience for both leaders and followers, develops high ideals of personal conduct, provides for various student activities, seeks to interest students in school affairs, and helps solve problems that may arise.

Both student councils plan and implement various activities and projects each year with the help of a faculty advisor. Members of the council are representatives from the secondary student body. VISITATION (STUDENTS & ALUMNI):

HCS welcomes our Alumni “home” when they are in the area. Visits by current elementary and secondary age students are limited to those students who anticipate enrolling at Heritage in the near future. Arrangements for such visits should be made by parents with the appropriate office as far in advance as possible and must have prior approval from the principals.

Upon arrival to school, all visitors must obtain a visitor’s pass from the Security Booth. This pass is to be worn through the school day and returned at the end of the visit. After check-in with the Main Office, visitors will be directed to the appropriate office or classroom.

In the event that a student withdraws from school before the end of the month, semester, or school year, tuition will be charged or refunded accordingly. Students having attended one day or more of any month will owe the full month's tuition.

Tuition payments not made on time may result in notification of student(s) suspension. Parents must make payment before the account is forty-five days overdue or the **child(ren) may be suspended from classes.** Failure of parents to respond satisfactorily will result in automatic suspension of students from classes. After suspension, if parents elect to reinstate students they must pay their past due amount. **Senior students' tuition must be current in order to receive a diploma.**

If the parents have responded to original notification and have arranged a payment schedule that is satisfactory to the Administrator, then their account may exceed forty-five days past due provided that the payment schedule agreed upon does result in regular payments. However, should a payment not be made upon the new due date, then the student(s) shall immediately be suspended and not be allowed to resume classes until the past due amount and current month are paid.

Activity Fee Agreement:

Parents are expected to pay the activity fee of \$300. This fee covers all expenses such as field trips, special events and yearbooks for all students. Please refer to your admissions packet for a full list of activities and payment methods as well as available discounts for timely payments.
