Over the years, we have come to realize that many new students who enroll at HCS do so because of the recommendation of our current families.

Satisfied families are our best advertising. Heritage would like to partner with you in our recruiting efforts.

Therefore, Heritage Christian School is offering an improved Tuition or Activity fee credit for current HCS families who refer new students.

*Building on a firm foundation for life transformation*

All of the following criteria must be met in order to qualify for credit:

1. The referral to the school should come from the parent of a current student. The HCS parent should complete and sign the attached form and give it to the prospective family.
2. The new family must return the referral form at the time of registration.
3. The Tuition/Activity Fee credit will be given for each family at a rate of \$300 per each new K-12 student.
4. Credit will be given at the rate of \$75 per quarter for each \$300 credit earned. If the new family withdraws from HCS, the credit payment will end.
