LONG-RANGE PLANNING SESSION TO BUILD ON FALL FORUM

SAVE THE DATE!
Saturday, May 9, 9 a.m. to 1 p.m.

Make it a priority to attend an important forum at Heritage Christian School. This forum is the next critical step following the "Planning for our Future" forum held last fall. It is designed to build upon those ideas and new ideas, and then propel Heritage forward in a guided and strategic effort.

The forum will be organized and moderated by development consultant Constance Clark, President of Mission Possible. Mission Possible specializes in strengthening non-profits by developing a collaborative plan for establishing a solid financial base and improving retention and growth.

Collaborate...Prioritize... Strategize...GROW!

This forum...

- will allow attendees to be "directly involved in the development of a plan for sustainability of excellence at Heritage Christian School"
- is carefully-designed for open discussion and problem solving
- will result in the creation of prioritized strategies that will ultimately improve education, recruit and retain staff and students, and build our financial base
- will welcome community leaders and politicians, church ministers, and stakeholders who have an interest in Heritage's future.

We need your ideas, comments, and experience. Volunteer facilitators will help breakout groups record and develop information we can use toward establishing a solid strategic plan for future financial development, enrollment stability, expanded programming and more. Light refreshments and beverages will be available. Please plan to attend!

Mrs. Clark has an extensive 30-year resume as an international trainer and capacity-building human and financial resource developer. Her experience includes coordinating capital campaigns for the YMCA totaling \$16.4 million and securing grants in excess of \$7.9 million for other clients. As a minister's wife, she is particularly aware of the needs of faith-based organizations.

Mrs. Clark also is Vice President of Jeffrey Byrne & Associates, consultants for capital and endowment campaigns. Her presence is made possible through state funding toward staff development.

40TH ANNIVERSARY DINNER AND AUCTION EXCEEDS EXPECTATIONS

Friends and family – new and old – celebrated a memorable milestone on Saturday, April 4 at the 40th Anniversary Reunion Dinner and Benefit Auction at the McKinley Grand Hotel in Canton. We rejoiced in four decades of God's provision and looked ahead to our bright future in His hands.

The evening began as familiar faces from the past and present converged in the ballroom concourse, bringing joyful reunions, hugs, laughter, and questions like "Do you remember...?" or "Have you heard from...?" The concourse was abuzz with fellowship and fun as guests previewed dozens of valuable silent auction items. Lining the walls were newly printed and framed senior class photo pages dating back to the first Heritage graduating class of 1980.

Once the doors opened to the grand ballroom, guests could preview live auction items and gather at tables for a plentiful dinner and interesting program. Chairman of the Heritage Board of Education Mr. Bob Harmelink opened the evening by reading a proclamation from Mayor William Healy recognizing Heritage's 40-year legacy and impact on students.

MRS. MOOSEY IS HONORED

Mr. Jim Cassler, chairman of the 40th Anniversary event, made special recognitions of former and current board members, staff and alumni, including a special tribute to Mrs. Carol Moosey for her 32-year "record" teaching at Heritage Christian School. Mrs. Moosey announced that this is her final year of full-time teaching. She will continue to help in the preschool and as an elementary substitute. The board presented Mrs. Moosey with sparkling ruby jewelry in honor of her "almost-retirement." Her relative by marriage, former Cleveland Browns head coach Sam Rutigliano made a surprise visit in Mrs. Moosey's honor. Mrs. Moosey's son, Tim, is married to Mr. Rutigliano's daughter Alison, and, as Mrs. Moosey notes, "Sam and I share the greatest grandson in the world."

40TH ANNIVERSARY DINNER AND AUCTION EXCEEDS EXPECTATIONS

...Continued from Page 1

STUDENTS SERVE

The evening events included an excellent video presentation of photos and student testimonies, completed by sophomore Nathan Schmitt. Sadie Fellows, a junior, provided magnificent musical accompaniment on the grand piano. A number of other students helped unload and set up auction items, and provided coat check services and other valuable assistance that evening. The high school choir, led by Mrs. Andrea Clemens, sang through Heritage history using tunes from the history of Christian music – including costuming from those eras. As Mrs. Sharrie Yarber narrated through Heritage history, the choir reminded us of God's faithfulness through all generations as they sang old favorites from each era – songs by Keith Green, Amy Grant, dcTalk, Chris Tomlin and others. As they arrived at the present, they led in worship as we all declared together, "How Great is Our God!"

ALUMNI GATHER

Before the dinner, several alumni and spouses gathered for a "Walk of Memories" through Heritage Christian School. The walk was organized by Mrs. Karen Croston, math teacher at Heritage for more than 25 years! She and Mrs. Kris Rowan (16 years), Mr. Marty Martin (2 years), Dr. Chuck Wilson (12 years), Mr. Howard Pizor (24+years) and Mrs. Wendy (Musch) Nowak (4 years on staff and 13 years as an HCS student) hosted eight alumni and a favorite teacher, Mr. Lin Stedman, as they toured the hallowed halls. Alumni visited memorable places – the gymnasium, the backstage dressing rooms, the auditorium, the band room, and even the former in-school suspension room! At the dinner, many more alumni and former staff members reunited and reacquainted. See the website for more photos.

Some of the attendees include former music, band and drama director, Mrs. Elisabeth Barbee, former preschool and elementary teacher Mrs. Bernice Hicks Snyder, former high school principal Maurice Oatley, former administrator Dick Youngstrom, and many others. We were pleased to have in attendance two people who were instrumental in the founding of Heritage -- former board member in and after 1968, Cecil Long and his wife Lana who was a preschool teacher.

Alumni and former students in attendance during all or part of the dinner event included Brenda (Palmer) Hoffman, Julie (Pizor) McAbee, Joyce (Palmer) Robinson, John Parker, Tammy (Boosz) Hogue, Kathleen O'Brien, Scott Penrod, Jim Moosey, Julie (Shirkey) Vega, Bob Penrod, Joey Shirkey, Wendy (Musch) Nowak, Amy (Summerson) Wade, Beci (Crawford) Leshon, Annie (Shapren) Hambach, Tina (Mulanax) Wessel, Tammy Bixler-Zalesinsky, Mike Johnson, Jason Byler, Allen Davisson, Alyse (Barrett) Hartley, Ben Barrett, Lincoln Barrett, Vince Raines, Troy Larson, Travis Lipps, Aaron Hackenberg, Beth Inms, Andrew Rowan, Nancy (Shahan) Rowan, Meredith Storey, Heather (Lotze) LaDriere, Jeremy Lotze, Ryan Croston, Travis Lipps, Aaron Hackenberg, Jennifer (Pizor) Brahler. Our apologies if we missed anyone!

BIDDERS OUTDO EACH OTHER AND BLESSINGS FLOW

Generosity was the spirit of the evening. One family who attends church with a Heritage teacher, bid on the \$800 prom package, won the package, then turned around and donated it to senior Andrew Rohr, whose mother died last year after suffering from cancer. The donating family had recently experienced loss, and they kindly comforted and blessed Andrew in his loss. Andrew has attended Heritage 16 years (including preschool!) and is quite deserving. What a compassionate blessing. This same generous family purchased additional items like the coveted "close-up" Heritage parking space and donated it to the Kasler family.

One current Heritage family purchased a year's tuition at Heritage (which is only available to newly-enrolling students), so they could give it to a new student as a scholarship. Beautiful.

A Heritage alumnus, who wished to remain anonymous, unexpectedly donated two Cleveland Cavaliers game tickets to attend the first game of the NBA championships if (and WHEN!) the Cavs make it to the championships. The tickets were auctioned off on the spur of the moment and brought an additional \$750 for Heritage.

A little boy from Michigan was in town to visit the Pro Football Hall of Fame with his parents. The family was staying at the McKinley Grand Hotel and saw the Heritage auction. The boy asked if he could bid. Kathy Martin, auction committee administrator, gladly assigned his mother a bid number, and with it, the boy purchased the "My Lady" package for his mom, which included antique hats, perfume, a hand bag, etc. "The next thing I knew he purchased the kayak," said Mrs. Martin. "I was concerned about what he was going to do with a kayak while staying in a hotel. His dad said not to worry about it – he would let him sleep in it that night! The little boy and his dad paid for the kayak and off they went with it!"

SUCCESS...

Thank you to Mr. Richard Kiko of Kiko Auctioneers for providing live auction services and to HCS parent Greg Maxin for helping "sell" items in an entertaining manner. Generous donations allowed Heritage staff and faculty to attend the dinner at no charge. Overall, Heritage received more than \$42,000 worth of donated items and another \$5,600 in cash donations, which are still coming in. Out of 300 registered bidders, only 60 individuals purchased items, resulting in a net profit of more than \$25,000. Final figures are still being tallied. Thank you to all who have supported Heritage in any way over the years. We are partners with you in God's great work!

SPORTS NEWS AND REVIEWS

KEN HILL AND JOSH DAVIDSON HEADED TO INTERNATIONAL COMPETITION

Heritage Varsity basketball players Josh Davidson and Kenneth Hill have been chosen by the USA Junior Nationals program to represent Ohio at the International Sports Festival at the University of Illinois in Champaign, IL from July 27 to Aug. 2. About 60 boys from Ohio were invited to try out, and only 30 boys were chosen to represent Ohio, according to Davidson. At the international competition, players from the U.S. and Canada will compete all week until the championship game Aug. 2. Each player has to cover their own cost. The Athletic Department is giving these students the opportunity to raise money for this special competition. Kudos, Conquerors!

Congratulations also to Ken Hill who received an Honorable Mention in All-Stark County boys basketball and ranked 13th in scoring average for the county!

The Winter Sports Banquet was March 22. Coverage of award winners will appear in the May/June newsletter.

TRACK UPDATE

The track teams are up and running, and have already competed in their first meets of the season! The high school team competed in their first meet at East Canton on March 31, with all athletes running personal bests, and several athletes posting some very competitive times! The middle school track team has been working hard as well, and competed in their first meet April 4. Though the weather this spring has kept some practices inside, the athletes continue to improve with every day of hard work. Come out and cheer your Heritage athletes on in one of the upcoming spring meets.

“CRUISE-IN” PIT PARTY

You can’t miss this event! Saturday afternoon, May 30 (time TBA), Heritage is planning another Pit Party – this time with a car show, cook-out, live music and maybe even an outdoor movie. If you missed the Winterfest Pit Party which included sledding in the pit and roasted treats over an open fire, you missed a great time. This event will be open to the public. If you’d like to help with preparation, please contact Kathy Martin at kmartin@heritagechristianschool.org. Please invite friends and family to enjoy an afternoon celebrating a great end to a great year. Pit Parties are sponsored by the HCS Booster Club and the proceeds benefit HCS athletics.
