

# The Heritage Christian School Partnership Program

“My time at Heritage with my partner has been wonderful. I enjoy being able to see her in her classroom and having lunch with her. Her teacher is a wonderful teacher and she was so open to having me sitting in on her class. I am looking forward to developing a friendship with my partner and to be able to watch her grow each year. Thank you for giving me this opportunity. I have been truly blessed.”

- Lynn Helscher, Partner since 2015

## Overview of the Partnership Program

Founded in 1968, Heritage Christian School is a non-denominational Christian school located in Canton, Ohio.

Heritage Christian School's mission is the ABCs:

- \*Academic Excellence
- \*Bible Based Instruction
- \*Community Commitment

Heritage Christian School primarily serves families from urban Canton and the surrounding Stark County area. Over the years, we have witnessed the lives of many of our students being positively impacted both academically and spiritually. More than 90% of our students attend using state scholarships. We offer free breakfast and lunch to all students daily.

There remains a significant gap between what Heritage receives and our actual cost per student. That gap amounts to approximately \$3,500 per student per year. The only way we can continue to make our education affordable for all families is through the generous support of individuals, businesses, foundations, and churches. By partnering with a student, you are closing that gap while helping all of our students receive the quality education they deserve.

## Partnership Levels

**FULL PARTNER** - Your contribution of \$3,500 will sponsor one student for a school year. Twice a year, you will be invited to a Partner Day where you can attend a program, take part in a classroom activity and have lunch with your student. Although you are not required to attend, Partner Days provide an excellent opportunity for both the partners and the students to get to know one another. Also, our students send letters to their partners to share updates on their lives, with teacher comments as well.

**HALF PARTNER** - Your contribution of \$1,750 will sponsor a student for one-half of the school year. Like the Full Partner level, you will have opportunities to interact with your student. You will be invited to a Partner Day and you will receive a letter from your student, along with teacher comments.

**DAY PARTNER** - Your contribution of \$555 will sponsor a class for a day. As a Day Partner, you will receive a thank you letter from the class, as well as an update from the teacher.

**BECAUSE I CARE PARTNER** - Your contribution of \$365 will provide funding to the program at the cost of just \$1 per day for a year.

**LEGACY PARTNER** - Your contribution of \$10,500 will sponsor three students for the year. Being a Legacy Partner is similar to being a Full Partner, except that your partnership will bless multiple students.

**CONQUEROR PARTNER** - Your contribution of \$24,500 will sponsor seven students for the year. You will receive the benefits of being a Full Partner while blessing even more students.
