

Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

- Attendance
- Daily Grades
- Progress Reports
- Report Cards
- Transcripts
- Lesson Plans
- Discipline
- Homework
- School Calendar
- School Announcements
- Staff and School Directory
- Family Account Balances
- Teacher Email Addresses
- Customized Web Surveys
- Other Useful School Information
- Missing Assignments

Once we have ParentsWeb up and running, we'll provide you with instructions for logging in and viewing information. We look forward to your participation. Together we can improve our children's academic development and the communication between our school and your home.
