

Heritage Christian School sends text alerts to announce school closings, important messages, and event reminders.

Subscribing to our whole-school text alert system is easy!

- Use your phone and start a new text. The number you are texting is: 81010
- In the message section, what you type will depend on the first letter of your last name.
 - Last names starting with the letter A through M should type: @hscanton
 - Last names starting with the letter N through Z should type: @hcsco
- Then, simply push send! You should receive a confirmation text that you have successfully subscribed.

If you have trouble using the 81010 number, try texting the code above to (330) 408-9153 instead.

You can unsubscribe anytime by replying 'unsubscribe @hscanton' or 'unsubscribe @hcsco' depending on your last name.

If you want to receive text alerts by email, send an email to hscanton@mail.remind.com if your last name starts with the letter A-M, or send an email to hcsco@mail.remind.com if your last name starts with the letter N-Z. No subject or message is needed. To later unsubscribe, reply with 'unsubscribe' in the subject line.

All personal information is kept private. The school will never see your phone number. There is no charge for this service, but standard text message rates per your phone plan apply. Visit remind.com to learn more.
